Featuring the Salem II door style, this custom-painted cabinetry introduces a tailored, one-of-a-kind palette that elevates this entire space. Floor to counter cabinets provide ample storage while framing the range and hood as a focal point. Deep drawer base cabinets line the wall and pull out fully so everything can be reached without bending or crouching. Thoughtfully designed for both beauty and utility, this kitchen exudes timeless sophistication and modern functionality

Beautiful Natural Vintage cabinets with our Destin door style surround the extraordinary range niche in this kitchen. The visible grain of the wood and the texture of the vintage enhancement are the perfect contrast to the sleek, white hood, shelving, and decorative architectural features. This combination of materials and colors creates a modern and elegant aesthetic.
